## PREBEAR YOUR BEARS

Place your Bears face down in your play area as shown without looking at them .

After placing all of your Bears, flip the top Bear on your Commander and Guard Piles face up.

Recruit Deck: Leave the remaining Bears in a face down deck to the side to recruit new Bears.

## YOUR GOAL

Empty the Enemy's Commander Pile to win!

## YOUR TURN

On your turn you either:

Move a Bear.

Recruit a Bear.

## SETUP

## MOVE A BEAR!

A Bear can move in a straight or diagonal line and may move 0 to 4 spaces.

Bears cannot move onto or over other Bears but they can move diagonally between other Bears.

When you move a Bear next to an Enemy Bear your Bear and all adjacent Enemy Bears flip Face up.

## MOVE A BEAR

## RECRUIT A BEAR!

Don't want to move a Bear? No problem!  
Draw the top Bear from your Recruit Deck.

Without looking at it  place it face down  
in an empty Recruit Slot.

If you have no more Bears in your  
Recruit Deck, do not shuffle, you  
cannot recruit any more Bears.

When you recruit a  
Bear next to an Enemy  
Bear your Bear and all  
adjacent Enemy Bears  
flip Face up.

# BEAR FIGHT!

When Bears are moved or recruited next to Enemy Bears, compare all the Bear Power shown in the corners of those Bears.

## HIGHER POWER (FRONT/BACK)

Discard ~~the~~ the lower power card.

## LOWER POWER (LEFT/RIGHT)

Discard ~~the~~ the higher power card.

## EQUAL POWER (ALL AROUND)

If Bears have equal power, discard ~~the~~ both. Front, side, and even diagonal!

## WHICH BEAR FIGHT HAPPENS FIRST?

All of them! All Bear Fights take place at the same time.

## BEAR PILES

Bear piles can only lose one bear in a Bear Fight. Leave any remaining Bears in the pile face down.

## NOW YOU ARE READY TO PLAY LEGION BEARS!

For your first game, the Red Legion Bears go first.

## OPTIONAL PEEK RULE

*For Even More Strategy!*

### BEAR PILES

If a Bear on your Commander or Guard pile is discarded  in a Bear Fight, and there is a Bear below, you may peek at Bear below and decide one of the following options. Fight or Hide.

*This does not take your turn and you will still take your normal turn.*

### FLIP FACE UP & FIGHT

If you flip the Bear face up. Have another Bear Fight immediately!

### KEEP FACE DOWN & HIDE

If you choose to keep the Bear face-down, it stays face-down until you move it near an Enemy Bear or an Enemy Bear moves adjacent to this Bear.

## AFTER LOOSING...
