Nemo's War

— ♦ Dramatis Personae ♦ —

This Expansion Pack (#3 Dramatis Personae) for Nemo's War second edition includes 11 new (and 1 holiday-themed substitute with Nemo in a Santa hat) Adventure cards.

After sorting out the Special Adventure (Act and Rising Action) and Finale cards (including the new one in this Expansion Pack), shuffle this pack's new Regular Adventure cards in with the others.

After building the Draw Pile, count 25 of the remaining Adventure cards; these form the Adventure Deck. Place the remainder of the Adventure cards back in the box (out of play).
