

SET-UP

- 1) In turn each player takes 2 OMINOES of their own colour showing and places them anywhere on the board.
- 2) Then, in turn, each player rolls one OMINOE and places that on the board.

The game is now ready to play.

PLAYING OMINOES

- 1) Take an OMINOE from the pool. Roll it.
- 2) Move an OMINOE
 - a) If the newly rolled Ominoie shows a colour     then move any one matching this colour. Move the chosen Ominoie EXACTLY 3 spaces in any direction. Movement cannot be diagonal, over another Ominoie, or forward and back using the same space twice.
 - b) If the newly rolled Ominoie shows Yay-Ra the mover  move ANY Ominoie already on the board 3 spaces as above.
 - c) If the newly rolled Ominoie shows Ominotep the black serpent  choose an Ominoie on the board, reroll it and return it to the space it came from.
 - d) If the newly rolled Ominoie shows a colour that is not on the board skip to step 3) Add an Ominoie.

SCORING OMINOES

Once a player makes a group of 4 or more OMINOES (which can be a mixture of their colour PLUS any number of 'wild cards') take the group off the board and score 1 point for each dice taken off.

Move the player's counter around the score track.

GAME END AND WINNER
