

Pig

| <i>Ascarops strongylin</i> | |
|----------------------------|-------------------------------------|
| Common Name | Thick stomach worm |
| Infective Stage | Third-stage larva (L3) |
| Habitat | Stomach |
| Mode of transmission | Ingestion of Third-stage larva (L3) |
| Diagnostic Specimen | Feces |
| Diagnostic State | Egg in feces |

| <i>Gnathostoma hispidum</i> | |
|-----------------------------|-------------------------------------|
| Common Name | Stomach roundworm |
| Infective Stage | Third-stage larva (L3) |
| Habitat | Stomach |
| Mode of transmission | Ingestion of Third-stage larva (L3) |
| Diagnostic Specimen | Feces |
| Diagnostic State | Egg in feces |

*** zoonosis โรคติดต่อจากสัตว์สู่คน ***

| <i>Trichuris suis</i> | |
|-----------------------|-------------------------------------|
| Common Name | Pig whipworm |
| Infective Stage | Third-stage larva (L3) |
| Habitat | Caecum & Colon |
| Mode of transmission | Ingestion of Third-stage larva (L3) |
| Diagnostic Specimen | Feces |
| Diagnostic State | Egg in feces |

*** zoonosis โรคติดต่อจากสัตว์สู่คน ***

| <i>Ascaris suum</i> | |
|----------------------|---|
| Common Name | Pig roundworm |
| Infective Stage | egg containing an infective L2 |
| Habitat | Small intestine |
| Mode of transmission | Ingestion of egg containing an infective L2 |
| Diagnostic Specimen | Feces / Lung |
| Diagnostic State | Egg in feces |

*** zoonosis โรคติดต่อจากสัตว์สู่คน ***

Macracanthorhynchus hirudinaceus

| | |
|----------------------|-------------------------------------|
| Common Name | Thorny headed worm |
| Infective Stage | Third-stage larva (L3) |
| Habitat | Small intestine |
| Mode of transmission | Ingestion of Third-stage larva (L3) |
| Diagnostic Specimen | Feces |
| Diagnostic State | Egg in feces |

*** zoonosis โรคติดต่อจากสัตว์สู่คน ***

Trichinella spiralis

| | |
|----------------------|-------------------------------------|
| Common Name | Trichina worm |
| Infective Stage | Third-stage larva (L3) |
| Habitat | Small intestine |
| Mode of transmission | Ingestion of Third-stage larva (L3) |
| Diagnostic Specimen | Feces |
| Diagnostic State | Egg in feces |

*** zoonosis โรคติดต่อจากสัตว์สู่คน ***
