

CONTINUED FROM SECTION 5 :

Upon revealing a face-down card, a player's turn comes to an end when players have finished executing all the actions specified in sections 4 and 5, along with any relevant actions mentioned below.

...It is now the next player's turn! Rinse repeat...(clockwise)

WHAT IF I DRAW 3 WOLVES?

When you draw 3 wolves, you have 2 options;

Option #1 - Continue your turn normally

Option #2 - You may choose to end your turn immediately

Either way, once the turn ends, keep all 3 wolves outside of the deck for the remainder of the round. DO NOT shuffle these wolf cards back into the deck during this round.
