

## The Silent Way in New York: Rules

The room offers the maximum freedom to use any of the objects available to explore any aspect of English.

Use the pointers to point to:

- Coloured Rectangles
- Words
- Spellings
- Verb forms
- Syllable tools

Skilful use of this simple technique will provoke awarenesses in the other participants about English and enable everyone to work on:

- Pronunciation
- Grammar
- Stress and rhythm

At any level. For more information about how to use this resource and about the Silent Way approach please contact us.
